*Build Green NM is a voluntary program for certifying green technologies, products, and practices in homebuilding. Features apply only to homes sold "to be built" after 3/18/13 and only those homes will receive "Silver" certification. Seller makes no representations as to actual energy cost savings or specific energy performance. For more information, visit www.buildgreennm.com. Seller retains rights to any applicable energy tax credits. Any customer requesting changes from the above list would need to be approved by the Seller and processed through an optional-item request for change order, and to be paid for, in full, at time of ordering. All items are from Seller's supplier and vary per plan.
