\* Energy Efficient Features contributing to Build Green NM Silver Certification.

\*\*Build Green NM is a voluntary program for certifying green technologies, products, and practices in homebuilding. Features apply only to homes sold "to be built" after 3/18/13 and only those homes will receive "Silver" certification. Seller makes no representations as to actual energy cost savings or specific energy performance. For more information, visit [www.buildgreennm.com](http://www.buildgreennm.com). Seller retains rights to any applicable energy tax credits. Any customer requesting changes from the above list would need to be approved by the Seller and processed through an optional-item request for change order, and to be paid for, in full, at time of ordering. All items are from Seller's supplier and vary per plan.
